FLORIDA DISTRICT
DE SOTO PROVINCE

JANUARY 2018

Worthy Faithful Navigators and My Brothers All,

Jenny and I hope and pray that each of you had a Blessed and Merry Christmas, enjoying family and friends, but most of all paying homage to the reason for the season *“The Birth of our Savory, Jesus Christ”*.

Let us welcome in the New Year with joyous and open hearts. As Christians we are called to help those most in need of your support. Let us do this through the ideals set forth by our founder, The Venerable Fr. Michael J. McGivney, by exercising the first principle of the Order, CHARITY. We are called to feed the hungry through Food for Families. To cloth the naked through the Coast for Kids Campaign and to protect Human Life in all it's stages, from Conception to natural Death. We should dedicate yourselves this year to those principles and beliefs that makes us strong and proud to call ourselves *“A Catholic American Patriot”*.

Jenny and I wish to extend to each of you and your family a healthy. Safe and Prosperous New Year.

Vivat Jesus

Assembly's Annual Survey of Fraternal Activity Report

The "*Assembly's Annual Survey of Fraternal Activity Report*" tells our story of *Service to one, Service to All* the best.

How does Supreme know that councils, assemblies and circles donated over \$177 million too charitable cause, or that the Order provided over 77 million man-hours to local charitable organization last year. It happens through each council, assembly and circle telling their charitable story by submitting the Fraternal Activity report. Now is the time that each assembly ***MUST*** submit their story of charitable contribution. It does not matter how large or small your assembly's charitable dollars our man-hours were. What matters is, that when each tells their charitable story and they are added to all the others a much lager story is told. Each assembly ***MUST*** complete the *Annual Survey of Fraternal Activity #1728* and submit it to the Supreme Office by ***January 31, 2018***. This report many be submitted ON-LINE by going to (www.kofc.org) Officers on-line, click on Forms and scroll down to form #1728. Remember to include the Vice Supreme Master and Master e-mail address at the bottom of the form.
